

dementia friendly @ work training

This FREE training is
for Employees and
Management staff of
business and service
organizations

By offering this training, you will help your organization heighten its awareness of dementia and be equipped to respond warmly and effectively when serving people living with dementia and their families.

Approximately 94,000 Minnesotans age 65+ are living with Alzheimer's. The annual number of Alzheimer's cases and other dementias is projected to triple by 2050. These numbers will touch us all because they represent family members, friends, neighbors, co-workers, colleagues, clients, and customers.

Training Objectives

- Learn what dementia is and some facts about Alzheimer's
- Recognize the signs of dementia
- Learn tips for communicating and interacting with a person who has dementia
- Learn tips for creating a dementia-friendly physical space
- Get familiar with resources in your community
